Resumé

This is a LaTeX file which can be used as a template for a project in numerical methods.

1 Section title

Here is a random equation,

$$H|\psi\rangle = \lambda|\psi\rangle \ , \tag{1}$$

which can be later referred to as equation number (1).

Figures can be included e.g. using the `graphicx` package, see figure (1).

Figur 1: Numerical solution of a Schrödinger equation with oscillator potential
